UNIFORMS

In preparation of the 2021 concert season, we asked parents to please have your 10/11/12th grade student try on their concert attire that, due to Covid, has been kept at home since last year. So far, we have only heard from 5 students!!!!

1. IF your student still fits the dress/tux pants, please text (281-610-3746) or email (uniforms@cpcb.org) a picture of the tag with the size and the name of the student to us with the message that it still fits. (BCP=Band Concert Pants, BCD = Band Concert Dress, CD = Choir Dress if borrowed from choir).

2. IF your student needs a different size, please have the dress/tux pants dry cleaned ASAP!!, so they can be returned to school within a week. The dry-cleaning receipt should be stapled to the plastic dry-cleaning bag and please write the STUDENT'S NAME on the receipt. If it was dry cleaned last year, please have it dry cleaned again, as it has been hanging in your closet for a year and needs to be clean for someone else to try it on.
3. We will be scheduling dates to fit students 10/11/12th grade after we hear from you. New students and 9th graders will be fitted after the other students. IF your student needs a concert uniform soon, please let us know asap so we can give them priority, but only under the above guidelines.
4. Students who have not returned their marching uniform, will not be scheduled for a concert fitting until the marching uniform has been returned!! Those who still have the marching uniform at home, please make sure it is washed THIS WEEK (not 3 weeks ago) and returned to the uniform room. We don't check the whole uniform room daily, so please send us a text or email to let us know you returned it, so your student can be scheduled for a fitting.

Uniform Coordinators: Becca Talley, Marlena Palandro, Ariette DeVault
