

CPC 2020

BAND AND COLOR GUARD CALENDAR FUNDRAISER

What is it?

The easiest fundraiser you'll ever do!

How does it work?

Find a sponsor for every day of the month. The sponsor will donate in the amount of the number date. For example: If I want to sponsor the 3rd of the month, I would donate \$3 to the student. If I want to sponsor the student on the 3rd AND the 4th, I would donate \$7 to the student. EASY!

What month are we getting sponsors for?

BANDTOBER of course!

How should I find sponsors?

Call family members. Ask your neighbors. Find your non-band friends and ask for a few dollars. Have your parents post on their social media. Post on your social media (with parent approval). Fill in every date for the month!

What if someone wants to sponsor me for the whole month? How much is that?

A sponsor for the entire month is \$496.

How do I turn my sponsorship money in?

Please collect money (cash, checks, venmo) from your sponsors. Then turn in ONE check made out to CPC Band Boosters. It can be mailed to:

CPC Band Boosters
PO Box 8781
The Woodlands TX 77387

We will not be submitting on our website in order to avoid online fees.

How long do I have to collect sponsorships?

The fundraiser lasts the entire month of September with all money due on September 30th.

Can donations go towards my Fair Share?

YES! The FIRST month completed goes to the general fundraising account. If you want to find sponsors for a SECOND month, that money will be counted for your Fair Share! Just make two copies of the calendar and indicate that you want every dollar after the first \$496 to go to your Fair Share!

What if I am not able to find sponsors for every day?

Turn in what you have, every dollar is helpful.

Is this tax deductible?

Yes. Please tell sponsors that every donation is tax deductible as a donation to a 501c3 non-profit organization.

Why should I participate?

This is YOUR program and every cent made benefits YOU.

BANDTOBER
